

February Newsletter Second Grade

2/1/17

Dear Parents and
Guardians,

February is here! Mid-winter recess is coming soon, and we will celebrate 100 Days of School day and Valentine's Day!

Foundations: This month we will continue our rotating Foundations groups to help your children at their specific levels.

Reading: This month in reading we are learning how to study characters in our series books through deeper examination of their

internal (how they feel) and external (how they look) qualities and characteristics.

Writing: During this month, we will be learning how to write gripping fiction stories. Help your child at home by thinking of ideas and problems their characters can go through.

Math: This month we are learning how to take a survey and use the data to draw graphs and interpret the information we gather.

Social Studies: We are learning about how suburban, urban, and rural

communities are alike and different.

Science: We are learning about forces of motion.

Thank you for your cooperation!

-Ms. Loiacono and
Ms. Bey

-Mrs. Amachree

-Mrs. Mccloskey

-Mrs. Gomez-Reyes

Important Dates:

School Closed for
midwinter recess:
2/20-2/24
