

March Newsletter

Second Grade

3/1/17

Dear Parents and Guardians,

March is here! This month we will be celebrating St. Patrick's Day and going on our rescheduled trip to The Museum of Natural History.

Reading: This month, we will be starting a new unit to help us gain more powers to read bigger and longer books.

Please practice sounding like a storyteller with your children.

Have them practice rereading in their heads and aloud with fluency by scooping under phrases instead of pointing to each word.

Writing: During this month, we will be starting our new unit on poetry! This will surely be a fun unit where they can write about anything and there are no rules to their creativity!

Math: This month we are going to learn about tens,

hundreds and thousands.

Social Studies:

We are finishing up our unit on suburban, urban, and rural communities.

Science: We are learning about forces in motion.

Thank you for your cooperation!

-Ms. Loiacono and Ms. Bey

-Mrs. McCloskey

-Mrs. Amachree

-Mrs. Gomez-Reyes
