

Second Grade Newsletter

Dear Parents and
Guardians,

We hope you enjoyed
your Mid-Winter
Recess with your
children. We are
ready to push
forward and work
hard to get ready for
third grade.

Reading: This month,
we will be practicing
the strategies that
help us gain more
reading muscles. We
should be reading for
a longer time every
night and making sure
we know all of our
sight words in a snap!

Please remind
your child to practice
rereading in their

heads and aloud with
fluency by scooping
under phrases instead
of pointing to each
word.

Writing: During this
month, we will be
starting our new unit
on poetry! This will
surely be a fun unit
where they can write
about anything and
there are no rules to
their creativity!

Math: This month we
are going to continue
practicing story
problems. Make sure
to study your facts
every night and
review money too!

Social Studies: We
are finishing up our
unit on suburban,
urban, and rural
communities.

Science: We are
learning about plants
and what living things
need to grow and
thrive.
